Gold Seal Scholarship

Qualified students will be eligible to receive the Florida Gold Seal scholarship which may pay a significant percentage of tuition to Florida public and private colleges and universities.

Mulberry Auto Garage provides students with hands-on-training in Automotive Service Technology. The academy features a full range of automotive maintenance and repair topics including:

- Engine Repair
- Air Conditioning Service & Repair
- Tire Mounting, Rotation & Balancing
- Wheel Alignment
- And Much More

Upon completion students will be prepared to enter the workforce, seek more advanced training, or go on to college to earn a degree.
