ROBOTIC COMPETITION

Through participation in the Technology Student Association (TSA) and other robotic contests, Technobotics students have the ability to compete against other schools across the state and nation.

COLLEGE OPPORTUNITIES

Through dual enrollment courses with Polk State College, students have the opportunity to earn College Credit while in high school.

INDUSTRY CERTIFICATION

Technobotics students have the opportunity to earn SolidWorks industry certification.

Industry certification proves to employers that you have the skills they need and gives you a leg up on the competition.
