

AP Art History – Summer Assignment 2017

Hello! I am pleased to let you know that your summer assignment for this course will be easy and enjoyable. I would like for you to download an app that I will tell you about below, and then answer the “Question of the Day” that the app gives you throughout the summer.

Actually, if you go to this website...

... you will learn all about the course and the AP exam that you will take in the Spring of next year. There are 250 works of art that you will need to know all about, so these questions of the day will get you thinking about those. The app information is on this website, and the app can be downloaded through the App Store or Google Play for Apple or Android.

If you really want something more rigorous, start checking out the Khan Academy resources at...

I am really looking forward to seeing each of you in class this fall. My email is below and I will check it all summer, so if you have any questions or comments, feel free to get in touch with me.

Have a great summer!
