## **School Public Accountability Report (SPAR)**

The 2014-2015 SPAR has just been released. By law, we are required to notify parents that the SPAR is available. Please include the new SPAR in your 2015-2016 Parent Involvement Notebook and on your school website. The SPAR can be found on FLDOE's website: <http://schoolgrades.fldoe.org/> or <http://doeweb-prd.doe.state.fl.us/eds/nclb spar/year1415/main1415.cfm>.

Please make parents aware of the availability of your school's SPAR (in multiple ways) and indicate below how parents are being notified. Please include documentation with this form.

Scan the form and include evidence as documentation to eTASK by June 9.

Thank you,

*Denise Atwell*
