Free Exam Prep Workshops:

Have you ever wondered which college admissions exam to take? What are the differences between the ACT and SAT? What should I be doing to stay on track with my college applications?

Get answers to all your college admissions and exam prep questions at one of our free College Prep Workshops.

Workshops will be held on May 16th, June 20th, July 11th and are free to all local high school students and their parents.

Workshops are located at our center at 6655 South Florida Ave, Lakeland, FL 33813. Please register online at:
