All instructions and examples with power points are available in Google Classroom. For those who have not enrolled in Google Classroom, check your student email. We are trying to set up link for you. Any questions on assignments will be answered by instructor through there. Students may photo work and be instructed on how to complete if needed by instructor. All students were given password to class and supplies to complete before school was out. Download App for Google Classroom. Use your school email address to login first.last@mypolkschools.net
